II ANNUAL REFLECTIONS ON HOLOCAUST & GENOCIDES

Sunday, January 25, 2009 | 5:30 PM to 7:30 PM

UNITY CHURCH OF DALLAS - 6525 FOREST LANE • DALLAS, TX 75230

Website: www.HolocaustandGenocides.org

The Foundation for Pluralism, Memnosyne Foundation, Dallas Peace Center and the World Muslim Congress have come together to commemorate the Holocaust and Genocides. Our Mission is to create awareness of the inhumanity in all of us, and discover solutions for peaceful co-existence. We need to remind ourselves frequently to do our share to make the world a better place to live, vow to say "never again" to human atrocities, and at this annual occasion dare to practice the power of forgiveness.

The event this year will be unique. After receiving Desmond Tutu's signature and blessing on STATIONS ONE, we are introducing "STATIONS TWO: An Interactive Public Artwork." It is a four-foot wood version of the six-foot cube that is already on its way to Rwanda, gathering inscriptions and recording voices of forgiveness as has never been seen or heard before on an international platform.
